Re: Glenbrook Stories - October 22, 2018

## **MEMO**

For our Glenbrook Stories segment on October 22, we will learn more about GBS Goes Gold through the eyes of its student founder Kate Gregory.

GBS just wrapped up its second year of “Going Gold” during the months of September and October to support pediatric cancer organizations and spread awareness. During these several weeks, Titans raised more than \$4,750 to benefit Cal's Angels, The Ted Mullin Fund, Go 4 the Goal and Children’s Cancer Fund Research. Athletic teams sported their best gold attire and several volunteers came together to fundraise. The biggest event was the “Gold Rush” football game Oct. 5 where pediatric cancer survivor, local Maple (Cove) Middle School student and future class of 2024 Titan, Brannon Moran, served as an honorary captain. This has been a full, community fight against pediatric cancer and we have our Titans to thank for leading the way.

This Glenbrook Story recognizes Kate for her inspiring idea and leadership, and the student population and Titan community who place great emphasis on service learning, kindness, and compassion.
