

Dr. Ninja Idrizi - Assistant Superintendent for Educational Services

Dr. Ninja Idrizi earned a BA in German Studies from Northern Illinois University, a Master of Arts in Teaching and Leadership from St. Xavier University, Chicago, and an Administrative Certificate and doctoral degree in Educational Leadership from Concordia University of Chicago.

Dr. Idrizi began her educational career as a German teacher in District 214 before moving to District 155. She understands that building relationships, adhering to

student-centered instructional practices and providing meaningful curriculum are the key ingredients to growing programs and increasing student enrollment. Prior to working at Barrington High School, Dr. Idrizi served as the world language department chair in District 155. During her 12 years at Barrington High School Ninja published a book, finished her dissertation and became associate principal for teaching and learning. With her passion to be connected to the classroom, Ninja continued teaching as administrator and taught in the World Language and CTE departments.

Ninja and her family live in Crystal Lake and enjoy outdoor activities. She often likes traveling to Berlin and Munich, Germany to visit her parents and siblings.

Dr. Idrizi is excited to work with the dedicated students, staff members and families in Glenbrook High School District 225.
