RE: FOIA Requests

FOIA Response:

Please see the attached email response. Responsive documents can be found online at <http://il.glenbrook.schoolboard.net/board>. (Responsive documents will not be attached to the all documents pdf, but can be found under the FOIA agenda item.)

Background:

The Freedom of Information Act (FOIA - 5 ILCS 140/1 et seq.) is a state statute that provides the public the right to access government documents and records. A person can ask a public body for a copy of its records on a specific subject and the public body must provide those records, unless there is an exemption in the statute that protects those records from disclosure (for example: records containing information concerning student records or personal privacy).

A public body must respond to a FOIA request within 5 business days after the public body receives the request or 21 business days if the request is for commercial purpose. That time period may be extended for an additional 5 business days from the date of the original due date if:

- The requested information is stored at a different location;
- The request requires the collection of a substantial number of documents;
- The request requires an extensive search;
- The requested records have not been located and require additional effort to find;
- The requested records need to be reviewed by staff who can determine whether they are exempt from FOIA;
- The requested records cannot be produced without unduly burdening the public body or interfering with its operations; or
- The request requires the public body to consult with another public body who has substantial interest in the subject matter of the request.

If additional time is needed, the public body must notify the requester in writing within 5 business days after the receipt of the request of the statutory reasons for the extension and when the requested information will be produced.

RE: Miscellaneous Stipends

Recommendation

The Administration recommends the Board of Education approve the Miscellaneous Stipends list for the 2019-20 school year as presented.

Background

A stipend is compensation to an employee for work identified by the district in a variety of specialty areas. This work is accomplished in addition to a staff member's general role and responsibilities.

The following stipends were determined after consultation with the supervisor for each area/program for the 2019-20 school year. In the accompanying summary document, you will find the listing of staff members, program/area, stipend amount, and if the stipend is grant-funded.

- **Academy Assistant:**
 - Engages in a wide variety of administrative tasks including managing the Budget/PCard use, texts, and supplies acquisition, schedule changes, room use management, parent/student communications, and the annual admissions process including middle school outreach and maintenance of applicant portfolios.
- **Assistant Athletic Director:**
 - Schedules contests and secures game officials. In addition, they supervise a significant number of contests throughout the year at both home and away events.
- **GBS Assistant Coach-Field Hockey:**
 - Provides assistance to the Head Coach in order to support a growing program. This is a one-year position in the miscellaneous category.

- **BOE Recording Secretary:**
 - Attends all board meetings, including special meetings, and is responsible for producing minutes for both open and closed session meetings.
- **English Language Coordinator:**
 - Facilitates EL Parent Night and Bilingual Parent Advisory Committee meetings, attends Latino Parent Night meetings, coordinates appeals testing for incoming freshmen and testing/placement of transfer students, maintains databases, plans Glenbrook Day meetings, plans and facilitates New Teacher Orientation meeting, and schedules all EL meetings.
- **GESSA Mentor:**
 - Supports and nurtures first-year GESSA support staff members. Much of this work is done through common start-of-the-year meetings and ongoing one-on-one interaction. Mentors establish safe and trusting relationships with new hires designed to create success both personally and professionally.
- **Glenbrook Aquatics Program Director:**
 - Supervises the aquatics programs at both schools. Responsibilities include communicating with the Glenbrook Aquatics governing board, the District and the Building Administration on any and all issues concerning the services provided by the program to the community. In addition, the Program Director offers recommendations for hire and is in constant communication with coaches and parents.
- **Glenbrook Aquatics Swim America Director:**

The team provides early intervention supports and programs for social/emotional and behavioral issues as well as offers education and training to individual students.

 - Provides organizational support to the buildings for all summer camp enrollment and scheduling. This position also meets the needs of families and students interested in summer camp options outside of the academic summer school experience.
- **Teacher Mentor:**
 - Supports and nurtures new teachers through their first year with the district. Mentor responsibilities include attending training sessions, meeting weekly with their mentee for the first nine weeks of school, then monthly for the remainder of the year, and observing each other's classes to provide feedback and modeling for the new teacher.

Dear Mr. Balon,

Thank you for writing to Glenbrook High School District 225 with your request for information pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 et seq. (Act).

On 11/23/20 we received your follow up request for the following information:

Items needing more information as described below (in blue):

- Details (items contributing to these amounts) behind the Program Director Stipend PY activity of \$72,311.19 listed under **Glenbrook Aquatics** FY21 Final budget (highlighted in the attached file (Image 1.pdf)
 - The attachment you provided shows the stipend amounts for the 2019-2020 school year add up to \$40,138 rather than \$72,311.19 as listed in the prior year activity of the FY21 Final Budget. I am looking for all the details that make up the PY \$72,311.19 under the **Glenbrook Aquatic(5505)**.

District Response: For the 2019-20 fiscal year, Charles Patrick's salary was inadvertently charged to the wrong account (FY20 GBQ Director detail report attached). The correct amount for this account should have been \$15,132, as was budgeted:

- Below are the three stipends which had Glenbrook Aquatics as the funding source for 2019-2020 but these totals do not add up to the 72,311,19 total.

Glenbrook Aquatic Program Director	\$15,132
Glenbrook Aquatics Swim America Liaison	\$10,171
Glenbrook Aquatics Swim America Director	\$14,835
Total	\$40,138

District Response: Only the Glenbrook Aquatic Program Director was budgeted to program 005505 (Glenbrook Aquatics) in FY20, the other two Stipends were budgeted to program 005510 (Swim America) along with two additional stipends for Swim America Assistants. (FY20 Swim America Director detail report attached)

- Is the listed stipend amounts in the PDF per fiscal year or per semester?

District Response: The amounts listed are per fiscal year

- Details (items contributing to these amounts) behind the Program Director Stipend PY activity of \$34,037.24 listed under Swim America in the FY21 Final budget highlighted in the attached file (Image 2.pdf)
 - I am looking for all the details that make up the amount of \$34,037.24 listed under **Swim America(5510)** for prior year activity in the FY21 Final Budget. The attachment did not

provide any details. Would the stipends listed with Glenbrook Aquatic as the funding source be also included under **Swim America(5510)?**

District Response: Refer to the attached FY20 Swim America Director detail report

As a follow up to my original request:

- The aquatic staffing Excel file you provided had a stipend amount being paid to Matthew Purdy with the assignment of Swim America Director. This position was not on the 2020-2021 Miscellaneous Stipends PDF. Please provide information when this stipend was created.

District Response: There are no documents responsive to a date when the stipend was first created. Our current financial system, Skyward, shows the first year to be 2014-15.

In addition to the above follow-ups, I am also requesting:

- A list of both full time and hourly Support Staff who fall under the aquatic community programs (Glenbrook Aquatics, Swim America, Glenbrook Aquatics Diving, and Aquatics Waterpolo) with their numbers of hours worked 2018-2019, 2019-2020, 2020-2021.
 - Please provide in Excel format (This could just be added on as a separate column to my original request you provided)

District Response: Please refer to the attached excel reports titled:

- FY2018-19 GBQ Payroll Detail
- FY2019-20 GBQ Payroll Detail
- FYTD2020-21 GBQ Payroll Detail

- Pay schedules for all assignments that fall under the Aquatic Community Programs (Glenbrook Aquatics, Swim America, Glenbrook Aquatics Diving, and Aquatics Waterpolo) for 2018-2019, 2019-2020, 2020-2021.
 - Aquatics Admin Assistant
 - Aquatics Head Coach
 - Head Age Group Coach
 - Head Coach
 - Head Development Coach
 - Program Director
 - Swim America - Student Worker
 - Swim America Asst Coach
 - Swim America Head Coach
 - Swim Club Asst Coach - Full Time
 - Swim Club Asst Coach – Hourly

District Response: Please see [link](#).

- Definitions of each step in the pay schedules for the Aquatic Community Programs. Are these steps related to tenure/experience length? Are the pay scale step definitions applied universally across District 225?

District Response: There are no documents responsive to definitions of each step in the pay schedules for the Aquatic Community Programs.

In the next segment of this request, you do not seem to be seeking the disclosure of a public record. If you are seeking the disclosure of a public record, please identify the record with specificity. The Supreme Court has squarely held that the FOIA does not require agencies to "create explanatory material." In good faith, we do not have a document that answers these questions except to provide the pay schedules for the program.

Hi-

Thank you for your response.

In regards to my last 2 original requests there are still some outstanding items needing more information as described below (in blue):

- Details (items contributing to these amounts) behind the Program Director Stipend PY activity of \$72,311.19 listed under **Glenbrook Aquatics** FY21 Final budget (highlighted in the attached file (Image 1.pdf))
 - The attachment you provided shows the stipend amounts for the 2019-2020 school year add up to \$40,138 rather than \$72,311.19 as listed in the prior year activity of the FY21 Final Budget. I am looking for all the details that make up the PY \$72,311.19 under the **Glenbrook Aquatic(5505)**.
 - Below are the three stipends which had Glenbrook Aquatics as the funding source for 2019-2020 but these totals do not add up to the 72,311,19 total.

Glenbrook Aquatic Program Director	\$15,132
Glenbrook Aquatics Swim America Liaison	\$10,171
Glenbrook Aquatics Swim America Director	\$14,835
Total	\$40,138

- Is the listed stipend amounts in the PDF per fiscal year or per semester?
- Details (items contributing to these amounts) behind the Program Director Stipend PY activity of \$34,037.24 listed under Swim America in the FY21 Final budget highlighted in the attached file (Image 2.pdf)
 - I am looking for all the details that make up the amount of \$34,037.24 listed under **Swim America(5510)** for prior year activity in the FY21 Final Budget. The attachment did not provide any details. Would the stipends listed with Glenbrook Aquatic as the funding source be also included under **Swim America(5510)**?

As a follow up to my original request:

- The aquatic staffing Excel file you provided had a stipend amount being paid to Matthew Purdy with the assignment of Swim America Director. This position was not on the 2020-2021 Miscellaneous Stipends PDF. Please provide information when this stipend was created.

In addition to the above follow ups, I am also requesting:

- A list of both full time and hourly Support Staff who fall under the aquatic community programs (Glenbrook Aquatics, Swim America, Glenbrook Aquatics Diving, and Aquatics Waterpolo) with their numbers of hours worked 2018-2019, 2019-2020, 2020-2021.
 - Please provide in Excel format (This could just be added on as a separate column to my original request you provided)
- Pay schedules for all assignments that fall under the Aquatic Community Programs (Glenbrook Aquatics, Swim America, Glenbrook Aquatics Diving, and Aquatics Waterpolo) for 2018-2019, 2019-2020, 2020-2021.
 - Aquatics Admin Assistant
 - Aquatics Head Coach
 - Head Age Group Coach
 - Head Coach
 - Head Development Coach
 - Program Director
 - Swim America - Student Worker
 - Swim America Asst Coach
 - Swim America Head Coach
 - Swim Club Asst Coach - Full Time
 - Swim Club Asst Coach – Hourly

- Definitions of each step in the pay schedules for the Aquatic Community Programs. Are these steps related to tenure/experience length? Are the pay scale step definitions applied universally across District 225?

Thanks,
G. Balon
