**Re:** Resolution Authorizing Permanent Interfund Transfer for Capital Project Purposes

**Recommendation**

It is recommended that the Board of Education approve the Resolution Authorizing Permanent Interfund Transfers for Capital Project Purposes in the amount of \$1,500,000.

**Background**

In the spring, the Board of Education approved several capital projects for completion during the summer of 2022. Additionally, the facility committee will review capital projects to be completed in the summer of 2023 in October, which will be partially paid for during the 2022-23 fiscal year.

As the school district's bond proceeds for capital projects have been exhausted, the school district has transitioned to a pay-as-you-go funding model. Under this model, the school district's capital projects are funded through a one-time purposeful use of fund balance from the Operations and Maintenance Fund (20) to the Capital Projects Fund (60).

While the 2022-23 fiscal year budget includes this transfer, the Board of Education needs to formally approve the transfer through the passing of a resolution. The Business Services team worked with the school district's legal counsel to draft the resolution that follows.
