RE: 2020-2021 School Year Closing Date  
DATE: May 10, 2021

### **Recommendation**

I recommend that the Board of Education approve the final 2020-2021 school year calendar.

### **Background**

The final school calendar is to be submitted to the Regional Office of Education no later than the last day of school.

Included in our annual school year calendar are five “emergency days” intended to be used if an emergency, usually weather related, compels us to close both of our schools and extend the school year. Each year the Board of Education is asked to revise the school calendar by deleting the unused emergency days and thereby establishing a new closing date.

The end-of-year calendar is as follows:

The final day for seniors will continue to be Friday, May 28, 2021 and graduation will remain, Sunday, June 6. For students in grades 9, 10, and 11, the final day of school will be Thursday, June 3. The final day of work for teachers due to a 183 day contract is Friday, June 4.

Some calendar codes are new because of the pandemic and remote or hybrid learning status:

XRLD = A majority of students are engaged in learning remotely

XBRL = A majority of the same students are engaged in learning both onsite and remotely on the same particular day (hybrid)

X = A majority of students are engaged in learning on-site
