RE: 2021-2022 School Year Closing Date
DATE: May 9, 2022

Recommendation

I recommend that the Board of Education approve the [final 2021-2022 school year calendar](#).

Background

The final school calendar is to be submitted to the Regional Office of Education no later than the last day of school.

Included in our annual school year calendar are five “emergency days” intended to be used if an emergency, usually weather-related, compels us to close both of our schools and extend the school year. Each year the Board of Education is asked to revise the school calendar by deleting the unused emergency days and thereby establishing a new closing date.

The end-of-year calendar is as follows:

The final day for seniors will continue to be Friday, May 27, 2022, and graduation will remain Sunday, June 5.

For students in grades 9, 10, and 11, the final day of school will be Thursday, June 2. The final day of work for teachers is Friday, June 3 based on a 183-day contract.
