RE: FOIA Requests

FOIA Response:

Please see the attached email response. Responsive documents can be found online at <http://il.glenbrook.schoolboard.net/board>. (Responsive documents will not be attached to the all documents pdf, but can be found under the FOIA agenda item.)

Background:

The Freedom of Information Act (FOIA - 5 ILCS 140/1 et seq.) is a state statute that provides the public the right to access government documents and records. A person can ask a public body for a copy of its records on a specific subject and the public body must provide those records, unless there is an exemption in the statute that protects those records from disclosure (for example: records containing information concerning student records or personal privacy).

A public body must respond to a FOIA request within 5 business days after the public body receives the request or 21 business days if the request is for commercial purpose. That time period may be extended for an additional 5 business days from the date of the original due date if:

- The requested information is stored at a different location;
- The request requires the collection of a substantial number of documents;
- The request requires an extensive search;
- The requested records have not been located and require additional effort to find;
 - The requested records need to be reviewed by staff who can determine whether they are exempt from FOIA;
 - The requested records cannot be produced without unduly burdening the public body or interfering with its operations; or
 - The request requires the public body to consult with another public body who has substantial interest in the subject matter of the request.

If additional time is needed, the public body must notify the requester in writing within 5 business days after the receipt of the request of the statutory reasons for the extension and when the requested information will be produced.

SETTLEMENT AGREEMENT

This agreement (“Agreement”) is made as of February 25, 2019, by and between Allstate Insurance Company, a subsidiary of The Allstate Corporation, a Delaware Corporation (“Allstate”), and the Board of Education of Glenbrook High School District 225, Cook County, Illinois, a public high school district with schools in Northbrook and Glenview, Illinois (“District 225”), upon the following terms and conditions.

WHEREAS, Allstate holds interests in and is responsible for payment of taxes upon the real property commonly known as Allstate Plaza, 2775 Sanders Road; Allstate Plaza West, 3100 Sanders Road; and Allstate Willow Plaza, 3773 Willow Road, all in Northbrook, Illinois (collectively, the “Subject Property”), and Allstate is also entitled to any tax refunds that may be paid with respect to the Subject Property;

WHEREAS, Allstate is the plaintiff in certain tax objection cases pending in the Circuit Court of Cook County, Illinois, identified as 05 COTO 4030 (2004); 07 COTO 1647 (2005); 08 COTO 4387 (2006); 09 COTO 3952 (2007); 10 COTO 4693 (2008); 11 COTO 5281 (2009); 05 COTO 4029 (2004); 07 COTO 1644 (2005); 08 COTO 4386 (2006); 09 COTO 3951 (2007); 10 COTO 4694 (2008); 11 COTO 5280 (2009); 05 COTO 3854 (2004); 07 COTO 1645 (2005); 08 COTO 4388 (2006); 09 COTO 3954 (2007); 10 COTO 4692 (2008); and 11 COTO 5285 (2009) (the “Tax Objections”), in which it seeks refunds of taxes paid upon the Subject Property (the “Subject Taxes”) for tax years 2004-2009, inclusive (the “Subject Tax Years”). The Cook County Treasurer and Ex Officio County Collector (“Collector”) is the named defendant in the Tax Objections pursuant to statute, and District 225 has intervened in certain of the Tax Objections as an additional party defendant pursuant to orders of the circuit court;

WHEREAS, if refunds are ordered by the court in the Tax Objections pursuant to the applicable provisions of the Illinois Property Tax Code, the Collector would pay such refunds to Allstate as required by the court’s orders from a current account maintained for purposes of collections and distributions on behalf of all taxing districts in Cook County. Thereafter, the Collector would reimburse her current account with amounts equivalent to the refunds, by charging them back against current property tax collections for the fourteen taxing districts that originally received the refunded taxes paid by Allstate, including but not limited to District 225. Such charge-backs would be made by the Collector in the same proportions as the fourteen districts originally received the refunded taxes; and

WHEREAS, Allstate and District 225 desire to settle the Tax Objections as between themselves only, in order to avoid the burdens, expenses, and risks of further protracted litigation, and without either party making or having made any concessions as to the merits of any of the various claims or defenses that have been asserted or may have been asserted by either party, notwithstanding that the Tax Objections will continue to be litigated between Allstate, the Collector, and any remaining intervenor or other party.

NOW, THEREFORE, Allstate and District 225, in consideration of the mutual promises set forth in this Agreement, hereby agree that the Tax Objections will be settled finally as to themselves only, pursuant and subject to the following terms and conditions:

Settlement Provisions

1. **Incorporation of Preambles.** The foregoing preambles are hereby incorporated into this Agreement.

2. **Settlement Payment and Settlement as to District 225.** District 225 shall pay to Allstate in a series of three installment payments as provided in this paragraph the total sum of Five Million Nine Hundred Eighty-five Thousand and No/100ths Dollars (\$5,985,000.00) (the "Total Settlement Payment"), each payment ("Settlement Installment Payment" or "Installment Payment") to be made on the date ("Date of Payment") on the following schedule:

<u>Installment Payment</u>	<u>Amount</u>	<u>Date of Payment</u>
1	\$2,000,000.00	On or before March 11, 2019
2	\$2,000,000.00	On or before Feb. 26, 2020
3	\$1,985,000.00	On or before Feb. 26, 2021

Each Settlement Installment Payment shall be made by a certified check or other collected funds delivered to Allstate in care of its legal counsel identified below. Allstate will accept the Total Settlement Payment in full and final settlement of any and all claims or demands whatever, as against District 225 only, that it has made or could have made, directly or indirectly, in the Tax Objections or in any other legal action related to the Subject Taxes and the Subject Tax Years, regardless whether such claims would be payable to Allstate by District 225 or would be chargeable by the Collector to District 225's current collections through the process described above. This Agreement and Allstate's acceptance of the Settlement Payment shall have no effect upon any claims or other matters related to taxes and tax years other than the Subject Taxes and the Subject Tax Years.

3. **Further Litigation and Mutual Hold Harmless.** It is fully understood and agreed that Allstate will continue to pursue its claims for refunds in the Tax Objections as against the Collector and any intervenors or other parties, insofar as the payment of any such refunds would ultimately fall upon or be charged back against current collections for taxing districts other than District 225. Allstate and District 225 shall hold one another harmless with respect to such continued litigation of the Tax Objections, as follows:

- a. At such time as the parties inform counsel for the Collector and the court of this Agreement as provided in paragraph 4 below, the parties shall informally inquire whether the court and Collector would agree to a procedure, authorized and directed by court order, through which the Collector would ensure that no part of

any refund resulting from further litigation or settlement of the Tax Objections after the execution of this Agreement would be charged back against current collections for District 225. If so, the parties will jointly move for this procedure to be authorized and directed by the court. Regardless whether such a motion is made or is granted, the parties shall also proceed as follows.

- b. If a refund is ordered as a result of further litigation or settlement of the Tax Objections after the execution of this Agreement, and if any part of the refund is expected or discovered to be charged back against current collections for District 225, such documents as are necessary to confirm this and to quantify the exact amount that has been or will be charged back shall be obtained by District 225 from the Collector. District 225 shall furnish these documents to Allstate. Allstate, upon its receipt of the documents and the proceeds of the refund ordered as a result of further litigation or settlement of the Tax Objections after the execution of this Agreement, shall forthwith, but in no event later than thirty (30) days, return to District 225 the full amount of such refund proceeds that has been or will be charged back against District 225's current collections by the Collector. Provided, however, that if the court has previously authorized and directed a procedure to protect District 225 from having any refund proceeds charged back against its current collections, as provided in subparagraph 3.a above, the parties shall first attempt to enforce the procedure ordered by the court to obviate the charge-back and return of refund proceeds to District 225 as provided in this subparagraph 3.b. Allstate shall annually update, on the anniversary of the date of this Agreement, District 225, in writing, on the status of the Tax Objections and the pendency of any settlement, judgment, or other event, that would cause a refund to be paid by the Collector and to be charged against District 225 or any other taxing district affected by the Tax Objections, and Allstate shall provide such status updates concerning the pendency of such events to District 225 at other times when Allstate reasonably believes that such a pending event is likely to be concluded or otherwise actually occur within the near future. Notwithstanding the foregoing, no less than ten (10) business days after any event such as a settlement or judgment actually occurs which may cause a refund to issue to Allstate from the Tax Objections, Allstate shall notify District 225 in writing of such event.
- c. If no refund is ordered as a result of further litigation or settlement of the Tax Objections after the execution of this Agreement, District 225 shall nonetheless continue to make each Settlement Installment Payment as provided above and Allstate shall retain the full amount of each Installment Payment to and including the Total Settlement Payment. Allstate shall have no obligation under any circumstances to return any part of the Total Settlement Payment to District 225, except as provided in subparagraph 3.d below.
- d. If the Collector or any other party, or the court on its own motion, in the Tax Objections or otherwise, should file an objection to or otherwise contest the rights

of District 225 and Allstate to enter into and perform this Agreement, District 225 and Allstate shall jointly defend their rights and the validity of this Agreement at the trial court level and, if necessary, on appeal. Allstate and District 225 shall bear their own attorney's fees and costs in the event of such a contest. The execution and performance of the Agreement shall not be delayed by any such objection or contest. If, however, the Agreement is adjudicated to be unenforceable by a court order that is final and not subject to further review or appeal, then this Agreement shall be null and void. Upon such a determination that the Agreement is null and void, Allstate shall return the Total Settlement Payment or any Settlement Installment Payment(s) as may previously have been paid to District 225 within thirty (30) days of such a determination. Thereafter Allstate shall be free to pursue the Tax Objections without regard to whether the Collector would charge back any refund against current collections for District 225, and District 225 shall be free to continue to participate as an intervening party in the Tax Objections.

- e. So long as this Agreement has not been determined to be null and void as provided in subparagraph 3.d above, District 225's participation in the Tax Objections shall be limited to defending the validity of the Agreement as provided in that subparagraph. When it is clear that no objection or contest will be filed challenging the rights of Allstate and District 225 to enter into and perform this Agreement, or that any such objection or contest has been finally withdrawn or has been finally adjudicated so that the validity of the Agreement has been upheld, District 225 shall withdraw as an intervening party from the Tax Objections.

4. Notification of the Court and other Parties. As soon after the execution of this Agreement as may be convenient, Allstate and District 225 shall inform the court and counsel for the Collector and any other parties to the Tax Objections of the following: (1) the existence of a settlement agreement between Allstate and District 225; (2) the intention of District 225 to withdraw from participation as an intervening party in the Tax Objections; and (3) the intention of Allstate to continue the litigation of the Tax Objections as against all other parties. It is agreed that this notification will be made to the court and other parties as a matter of courtesy, and not to seek permission or otherwise to imply that the court or other parties have any right to object to the Agreement or to affect its terms and conditions.

5. Approval and Disclosure. This Agreement is to be approved by the Board of Education at a public meeting convened in conformity with the Illinois Open Meetings Act. A copy of the approved Agreement will be subject to public disclosure pursuant to the Illinois Freedom of Information Act.

General Provisions

6. This Agreement shall be governed by the laws of the State of Illinois.

7. Provided that each Settlement Installment Payment is made in full on or before the Date of Payment as provided in this Agreement, no interest on any of such Installment Payments shall be due or payable. If an Installment Payment is not paid in full on or before the Date of Payment, then interest upon any unpaid amount of such Installment Payment shall also be due from the Date of Payment until the unpaid amount is paid, at the rate provided for interest on judgments for school district judgment debtors pursuant to section 2-1303 of the Illinois Code of Civil Procedure, 735 ILCS 5/2-1303 as now or hereafter amended.

8. This Agreement may be executed in counterparts, all of which, taken together, shall constitute one single instrument. Copies of the Agreement and signatures may be transmitted electronically in PDF format or by similar means, and all such copies shall have the same force and effect as originals.

9. Allstate and District 225 each has full legal authority to enter into and to perform this Agreement. Each of the undersigned individuals has the full authority of his respective party to execute this Agreement on behalf of that party.

10. The Agreement shall be binding upon any successors to Allstate and District 225. In the event that Allstate is, at some future date, acquired by or merged into another entity, this Agreement shall be binding on such entity.

11. In the event of a breach or default under this Agreement, the non-defaulting party shall be entitled to reasonable attorney's fees and costs from the defaulting party.

12. Any update, notice, or other communication to either Allstate or District 225 shall be to the persons and the addresses set forth below.
