Re: Differential Responsibilities

Date: August 9, 2010

Each year at the early August Board of Education meeting, a recommendation for differential is given to the Board for approval. I have received that information from each building for the 2010-11 school year.

Comments:

Based on the recent Memo of Understanding concerning differential pay, the administration and GEA agreed to adjustments to selected differential stipends which were approved by the Board last fall. The Cheerleading Head Coach was moved from Level IV to Level III. The Assistant Coach was moved from Level VI to Level V, and an additional assistant was added at Level V. The Head Coach for Poms moved from Level V to Level IV, and an assistant was added at level V.

Comparison:

2009-10			2010-11		
GBN	Athletics	\$859,823	GBN	Athletics	\$884,251
	Activities	\$243,263		Activities	\$251,378
	Total	\$1,103,086		Total	\$1,135,629
GBS	Athletics	\$896,319	GBS	Athletics	\$944,646
	Activities	\$254,042		Activities	\$257,977
	Total	\$1,150,361		Total	\$1,202,623
09-10 Total	\$2,253,447		10-11 Total	\$2,338,252	

The increase of \$84,805 represents a 3.76% increase from 09-10 to 10-11. This reflects the aforementioned changes to DRS positions, a 1.55% increase in the overall DRS, and step increases for less experienced coaches.

Summary:

The administration continues to work with the GEA and the Board to keep differential costs at the average or below of our benchmark districts. The challenge is to keep costs contained as well as to provide an appropriate stipend for these extra duty positions.

I recommend that the Board approve the differential responsibility list as presented.
