Re: Differentials – Athletics

Date: August 12, 2013

Each year at the August Board of Education meeting, a recommendation for differential is given to the Board for approval. At this time, I have received information for Athletics from each building for the 2013-14 school year.

At an upcoming Board of Education meeting I will bring forward any remaining activity differential information for the Board to review.

Comparison:

I have supplied the dollar totals for both schools in the areas of Athletics for 2012-13 as well as the totals for the 2013-14 school year for the Board to review.

2012-13

GBN Athletics	\$935,290
GBS Athletics	\$991,952
12-13 Total (Athletics Only)	\$1,927,242

2013-14

GBN Athletics	\$942,673
GBS Athletics	\$1,020,236
13-14 Total (Athletics Only)	\$1,962,909

Summary:

In comparing total costs from 2012-13 to 2013-14 a slight increase exists. The administration continues to work with the GEA and the Board to keep differential costs at the average or below our benchmark districts. The challenge is to keep costs contained as well as to provide an appropriate stipend for these extra duty positions.

I recommend that the Board approve the differential responsibility list as presented.
