RE: GBN Model UN - National High School Model United Nations Conference (NHSMUN), February 28-March 2, 2020 in New York City, New York

A total of eight students, eager and passionate about world affairs, would like to attend this year's National High School Model United Nations Conference (NHSMUN) held in New York City. As the trip requires out-of-state, overnight travel, we are requesting approval to send these eight students and two chaperones to New York City from Friday, February 28 through Monday, March 2, 2020. If the cheapest travel option is chosen, students would miss school on Friday, February 28. Monday, March 2 is a district institute day. Enclosed you will find the required approval documents: Field Trip Request for Overnight Trips, Student and Chaperone List, Cost Allocation Worksheet for Overnight Trips, and the NHSMUN Itinerary with Flight and Hotel Information

Thank you for your time and consideration of this valuable experience for GBN Model UN students.

Both NHSMUN 2020 sessions will feature the same activities and programming. The conference officially begins in the afternoon of Day 1, and concludes in the afternoon of Day 4. Below is a tentative schedule. Specific times, as well as more detailed activities, will be provided as the conference dates get closer.

CONFERENCE DAY 4 (Monday, Mar. 2 or Saturday, Mar. 7)

Morning: Plenary Session and Closing Ceremonies

The NHSMUN schedule offers activities all day and evening. Many of these activities are optional, and schools wishing to explore New York City's many cultural activities will have the opportunity to do so. Alternatively, many schools choose to arrive a couple of days early or to extend their trip by a couple of days after the conclusion of the conference. We encourage you to build the schedule that best suits your team, and hotel rooms are available to host you during these dates as well.

Note! NHSMUN 2020 will offer an expanded set of optional **training and preparation sessions**, as well as practice simulations, the **day prior** to Day 1 of the conference (Feb. 27 and Mar. 3). The sessions are available for beginner, intermediate, and advanced students and are open to all interested schools. We will also run training sessions during the afternoon of Day 1 of the conference (Feb. 28 and Mar. 4). There is not any fee for participation in these preparation sessions and training workshops.

If you are interested in a customized training session for your delegation the day prior to the start of the conference, please contact us no later than January 1, 2020 to arrange the scheduling and content to be covered. We enjoy the ability to interact with students in advance of the conference, as we have found that it makes them more comfortable in committee sessions and enriches their conference experience.

WHICH SESSION SHOULD I ATTEND?

Inevitably, schools will have different preferences regarding which session to attend. Some schools tend to prefer a specific session because of scheduling or because they can miss fewer days of class; others prefer a session because airfare is cheaper over the given set of dates. Many schools prefer whichever session allows them to receive their top choice of country to represent. Regardless of your situation, we always do our best to accommodate

country to represent. Regardless of your situation, we always do our best to accommodate your requests. Please specify your session preference when you complete your registration! Both of our conference sessions feature the same committees, programming, and activities.

Glenbrook High School District #225

BOARD POLICY: STUDENT TRIPS

7230

Page 1 of 3 pages

Section A - Introduction

The Board of Education believes that structured learning should not be limited to the classroom. Valuable experiences for Glenbrook students exist within and outside the boundaries of District #225. The Board also realizes that additional responsibilities arise whenever students are taken from the school premises. Staff, parents, and students should be aware of these responsibilities and the necessity for reasonable administrative procedures. The physical welfare of our students and staff must always be paramount in our considerations. It shall be the policy of this Board of Education to maintain insurance for the liability of the district, its board members, its employees, and authorized volunteers as a result of student injury, property loss and general liability coverage on student trips. It shall also be the Board's policy to encourage the maintenance of adequate personal automobile liability and medical insurance by our staff members.

Section B - Definition of Student Trips

A student trip shall be considered to be a school-sponsored activity away from the school premises usually falling within two major areas.

1. Instructional Field Trips and Extended Classroom:

Instructional field trips provide experiences out of the classroom that are normally carried on during regular class hours and are related to the planned curriculum. In some instances pre- and post-school hours may be utilized.

- a. A field trip implements and/or augments group classroom instruction. Transportation for field trips is restricted by The School Code to Illinois or adjacent states.
- b. An "extended classroom" allows individual students to pursue their studies in various work-related, volunteer, or observation activities outside the classroom.

2. Student Activity Trips:

Student activity trips are connected with regularly sponsored in school or post-school programs and may include but not be limited to the following:

- a. An activity trip as part of an extracurricular activity
- b. A contest (or practice for a contest) between students representing Glenbrook and another secondary school, or between participants in intramural sports (contestants, cheerleaders, marching band, etc.)
- c. A performance or exhibition displaying special talent by an individual or group of students (e.g., band, chorus, etc.)
- d. A convention or workshop in which an individual or group of students representing Glenbrook participate (e.g., student council convention or workshop)

Section C – General Parameters

1. All student trips must be approved by and will be subject to the procedures set forth by the school principal or the designated representative.
2. Recommendation of the principal and approval of the superintendent shall be required for all overnight student trips. Recommendation of the principal and the superintendent and approval of the Board shall be required for all student trips conducted outside the State of Illinois or adjacent states.
3. Funding for student trips shall be in accordance with the guidelines adopted by the Board.
4. No student shall be penalized for non-participation in a class field trip. No student shall be penalized for participation in a class field trip or student activity trip.
5. Reasonable administrative care should be taken to ensure safety and orderly behavior on all student trips. Staff members shall accompany all field trips except “extended classroom” trips.
6. All Board and school policies, procedures and regulations regarding student conduct apply for students on student trips.

7. Transportation on all student trips should be by district-owned vehicles or by commercial vehicles, whenever practical. Occasionally, because of a limited number of participating students, private transportation is permissible when approved by the principal or the designated representative. In these instances, travel may be by private automobile, if the driver is a Glenbrook staff member, parent, or student.
8. Students participating in student trips must travel to and from the trip's destination in the school-sponsored mode of transportation unless an exception for good cause is made by the trip's sponsor for the student to be transported by the student, his/her parent or guardian.
9. The Parental Permission Slip and Field Trip Request Application, as specified in the procedures to this policy, shall be used in complying with this policy.
