RE: 2015-2016 SCHOOL YEAR CLOSING DATE

DATE: May 18, 2016

The final school calendar is to be submitted to the Regional Office of Education no later than the last day of school.

Included in our annual school year calendar are ten "emergency days" intended to be used if an emergency, usually weather related, compels us to close both of our schools and extend the school year. Each year the Board of Education is asked to revise the school calendar by deleting the unused emergency days and thereby establishing a new closing date.

There were no lost days to makeup due to inclement weather so the end-of-year calendar remains as follows:

- The last day of school for seniors is Friday, June 3 as scheduled. Graduation dates for both schools will remain on Sunday, June 5 as scheduled.
- The tentative last day of school for students in grades 9, 10, and 11 is Thursday, June 9 as scheduled.

The final school calendar (attached) is to be submitted to the Regional Office of Education no later than the last day of school.

I recommend that the Board of Education approve the final 2015-2016 school year calendar.
