Subject: Non-Tenured Certified Staff Members to be Released

I recommend the Board of Education adopt the resolution to release the non-tenured certified staff members listed as such on the attached spreadsheet. This list was prepared in consultation with the building principals and has received their approval.

Some of the certified staff members being released at this time may be reemployed after more enrollment information is gathered and reviewed in the coming weeks.

Following the Board Meeting on April 25, 2016, certified staff members being released will meet with their building principals to receive the letter of release. In addition, the letter will be mailed home via certified mail.
