Re: GBN Math Team Trip to Pittsburgh, PA

Date: December 4, 2019

Attached is a request from Mr. Stephen Goodman, GBN Math Team Coach to allow student participation in the Carnegie Mellon Informatics and Mathematics Competition (CMIMC), January 31 - February 2, 2020 in Pittsburgh, Pennsylvania. Included documents are: Mr. Goodman's trip rationale, routine district travel request forms, and Board Policy 7230, Student Trips.

I fully support this tournament.

Glenbrook North High School is a learning community dedicated to students and committed to quality of thought, word, and deed.

November 26, 2019

Dear Dr. Finan,

The GBN Math Team is always looking for opportunities to grow, especially after winning three consecutive Illinois State Championships. This school year, we would like to take 12 students to the Carnegie Mellon Informatics and Mathematics Competition (CMIMC) on February 1, 2020, in Pittsburgh, Pennsylvania.

Carnegie Mellon is the home of the United States Mathematics Olympiad Team, and this is a prestigious tournament that they host.

We would fly to Pittsburgh on the morning of Friday, January 31, 2020. Student would be able to visit Carnegie Mellon that day and attend a seminar with the CMU Math Department. Recent GBN alumni would then show us around campus at CMU and perhaps at the University of Pittsburgh as well.

Twelve students (8 boys and 4 girls representing all four grades) have been selected to go based on multiple qualifiers. Head coach Steve Goodman would chaperone the trip as well as another chaperone to be determined.

Total cost for each student would be around \$500, but as in past years, donations from Math Team alumni would bring that down to around \$300 per student.

Thank you for your consideration in helping the GBN Math Team continue to grow!

Sincerely,

Steve Goodman
GBN Math Team Head Coach

Glenbrook High School District #225

BOARD POLICY: STUDENT TRIPS

7230

Page 1 of 3 pages

Section A - Introduction

The Board of Education believes that structured learning should not be limited to the classroom. Valuable experiences for Glenbrook students exist within and outside the boundaries of District #225. The Board also realizes that additional responsibilities arise whenever students are taken from the school premises. Staff, parents, and students should be aware of these responsibilities and the necessity for reasonable administrative procedures. The physical welfare of our students and staff must always be paramount in our considerations. It shall be the policy of this Board of Education to maintain insurance for the liability of the district, its board members, its employees, and authorized volunteers as a result of student injury, property loss and general liability coverage on student trips. It shall also be the Board's policy to encourage the maintenance of adequate personal automobile liability and medical insurance by our staff members.

Section B - Definition of Student Trips

A student trip shall be considered to be a school-sponsored activity away from the school premises usually falling within two major areas.

1. Instructional Field Trips and Extended Classroom:

Instructional field trips provide experiences out of the classroom that are normally carried on during regular class hours and are related to the planned curriculum. In some instances pre- and post-school hours may be utilized.

- a. A field trip implements and/or augments group classroom instruction. Transportation for field trips is restricted by The School Code to Illinois or adjacent states.
- b. An "extended classroom" allows individual students to pursue their studies in various work-related, volunteer, or observation activities outside the classroom.

2. Student Activity Trips:

Student activity trips are connected with regularly sponsored in school or post-school programs and may include but not be limited to the following:

- a. An activity trip as part of an extracurricular activity
- b. A contest (or practice for a contest) between students representing Glenbrook and another secondary school, or between participants in intramural sports (contestants, cheerleaders, marching band, etc.)
- c. A performance or exhibition displaying special talent by an individual or group of students (e.g., band, chorus, etc.)
- d. A convention or workshop in which an individual or group of students representing Glenbrook participate (e.g., student council convention or workshop)

Section C – General Parameters

1. All student trips must be approved by and will be subject to the procedures set forth by the school principal or the designated representative.
2. Recommendation of the principal and approval of the superintendent shall be required for all overnight student trips. Recommendation of the principal and the superintendent and approval of the Board shall be required for all student trips conducted outside the State of Illinois or adjacent states.
3. Funding for student trips shall be in accordance with the guidelines adopted by the Board.
4. No student shall be penalized for non-participation in a class field trip. No student shall be penalized for participation in a class field trip or student activity trip.
5. Reasonable administrative care should be taken to ensure safety and orderly behavior on all student trips. Staff members shall accompany all field trips except “extended classroom” trips.
6. All Board and school policies, procedures and regulations regarding student conduct apply for students on student trips.

7. Transportation on all student trips should be by district-owned vehicles or by commercial vehicles, whenever practical. Occasionally, because of a limited number of participating students, private transportation is permissible when approved by the principal or the designated representative. In these instances, travel may be by private automobile, if the driver is a Glenbrook staff member, parent, or student.
8. Students participating in student trips must travel to and from the trip's destination in the school-sponsored mode of transportation unless an exception for good cause is made by the trip's sponsor for the student to be transported by the student, his/her parent or guardian.
9. The Parental Permission Slip and Field Trip Request Application, as specified in the procedures to this policy, shall be used in complying with this policy.
