RE: Differential/Discretionary Responsibilities

Each year near the start of school a recommendation for Differential Responsibilities for Athletics, and both Differential and Discretionary for Activities, is offered to the Board for approval.

Please review the following information related to these responsibilities supplied from each building for the 2017-18 school year. In the accompanying document you will also find the dollar amounts for both schools in these areas for 2016-17 and 2017-18 school years.

There is a slight increase in the costs of these responsibilities from 2016-17 to 2017-18. The administration continues to work with the GEA and the Board to keep differential costs at the average or below our benchmark districts. The difference in cost may be a result of new coaches and sponsors who are placed higher on the salary schedule.

It should be noted that the remaining vacancies will be filled shortly after the start of school.

The contracts for these positions will be distributed according to the time period of the activity or sport.

I recommend that the Board approve the Differential and Discretionary Responsibility list for the 2017-18 school year as presented.
