RE: DISCUSSION/APPROVAL OF PREVAILING WAGE RESOLUTION

It is recommended that the Board of Education

Approve the Prevailing Wage Resolution, per the attached.

Background

Under the Prevailing Wage Act and the Illinois Preference Act, the Board of Education must ascertain the prevailing rate of wages paid in our general area and adopt a resolution establishing the prevailing wage rate. After adoption of the resolution, by the board, a certified copy will be filed with the Secretary of State and the Illinois Department of Labor. The board action will be published in a newspaper of general circulation in our area. A section will be included in all bids and contracts advising contractors that the general prevailing wage rate in this locality shall be paid for each craft or type of worker or mechanic performing such work. All contractors' bonds must include provisions guaranteeing the payment of the prevailing wage. All bids advise the contractor that District 225 must abide by the Illinois Preference Act, which requires the contractors to employ only Illinois laborers whenever the unemployment level in Illinois is 5% or more.

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial/Decoration Day, Fourth of July, Labor Day, Veterans Day, Thanksgiving Day, Christmas Day. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration such as the day after Thanksgiving for Veterans Day. If in doubt, please check with IDOL.
