Re: Procedures for Release of Non-Tenured and Part-Time Certified Staff

At the Board of Education meeting of March 14, 2022, we will ask the Board to adopt resolutions releasing some of our non-tenured and part-time Certified Staff Members. Non-tenured Certified Staff Members must be released at least forty-five (45) days before the last day of student attendance. If we fail to release such Certified Staff Members within this timeframe, the Certified Staff Members are automatically re-employed for the following school year.

According to Illinois School Code, Certified Staff Members who have been hired as full-time employees after January 1, 1998, must complete four full-time, consecutive years of employment before they can be granted tenure.

It is likely that some of the Certified Staff Members who will be released on March 14, 2022, will be re-employed after the staffing process is completed. Additional information used in the staffing process involves such issues as the return of Certified Staff Members from leave and accurate student registration.

Following the Board meeting of March 14, 2022, the Certified Staff Members who are to be released will meet with their principals and be given a copy of the letter of release. In addition, the letter will be mailed to the Certified Staff Member's home via certified mail.

A summary of the categories of Certified Staff Members will be shared with the Board for action at the March 14, 2022 meeting. Enclosed you will find sample resolutions and letters for the Board to review.
