RE: Textbook Changes  
DATE: April 22, 2019

**Recommendation**

I recommend the Board's approval of the proposed textbook changes.

**Background**

The [textbook change report](#) was brought forward at the April 8, 2019 Board meeting and is available on line.

The requests have been reviewed by the teachers involved, the instructional supervisors and the associate principals.

While this compilation reflects the majority of textbook changes, we may bring to the Board a limited number of texts in mid-summer, which reflect instructional decisions made during summer curriculum projects.
