RE: 2010-2011 SCHOOL YEAR CLOSING DATE

DATE: April 27, 2011

Included in our annual school year calendar are ten “emergency days” intended to be used if an emergency, usually weather related, compels us to close both of our schools and extend the school year. Each year the Board of Education is asked to revise the school calendar by deleting the unused emergency days and thereby establishing a new closing date.

The final school calendar is to be submitted to the Regional Office of Education no later than the last day of school.

Attached you will find a copy of our current 2010-2011 school year calendar.

Due to inclement weather conditions, February 2-3, 2011, were declared snow days and school was cancelled. To make up for the missed days, two attendance days were added to the calendar, April 4, 2011 and June 10, 2011. Instead of school ending for students Thursday, June 9, 2011, the last day of school will now be Friday, June 10, 2011.

I recommend that the Board of Education approve the deletion of the extra emergency days from the 2010-2011 school year calendar, thus establishing Friday, June 10, 2011 as the official last day of school for students and Monday, June 13, 2011 as the official last day of school for 10-month certified staff.
