RE: **Academic Program Review - GBE**

Purpose & Scope:

As part of the 2013-2014 District Initiatives, the Board requested informational academic program reviews once each semester. The scope of these presentations is intended to provide the Board with a broad overview of particular academic programs or areas and is not intended to serve as a program evaluation.

Program Review:

The focus of this presentation is Glenbrook Evening High School. Dr. Frank Santa will present information regarding the history, mission, current structure, and challenges facing GBE. In addition, as part of his doctoral research, Dr. Santa conducted a follow-up study of GBE graduates from the years 2000-2010. Sixty former GBE students participated in the study. Findings, recommendations and changes being implemented to address graduates' feedback will be reviewed.
