RE: DISCUSSION/ACTION: AWARD OF BID: CARPET REPLACEMENT

Recommendation

It is recommended that the Board award the bid for carpet replacement work at Glenbrook South to Vortex Enterprises at a price of \$45,500.

Background

At the March 9, 2009 board meeting, the board approved as part of the GBS building budget \$16,500 of expense for carpeting in addition to a \$25,000 carpet allowance for GBS totaling \$41,500. Scope of work includes carpet for the new print shop and conference room and all perimeter offices and rooms in the IMC. The carpet is a high-performance carpet made from recycled product called VCTT. The backing is impermeable so fluids cannot get trapped under the carpet. The design of the carpet prevents air pollutants and allergens to get trapped in the carpet.
