Attached is a request from Tara Tate, the GBS head debate coach, requesting to substitute the University of California-Berkeley debate trip (also attended by GBN) for the Carrollton Sacred Heart trip (due to a problematic date change).

I also support this request and ask to gain board approval for this substitution at the January 12th meeting.

Thank you and let me know if you need anything further.

Re: Requested Change in GBS Debate Calendar

The Glenbrook South Debate Society would like to submit a request to the Board of Education to make a change in our 2008-2009 travel calendar.

We ask that we merely replace the Carrollton Sacred Heart (Miami, FL) debate tournament with the University of California-Berkeley debate tournament in February. The Carrollton Sacred Heart tournament has been moved to the following weekend and we have a competitive in-town tournament at Maine East HS that we would prefer to go to on that weekend (already on the schedule). The University of California-Berkeley tournament is one that has previously been attended by Glenbrook South and is also being attended by Glenbrook North this year.

This replacement still keeps the GBS Debate Society within the parameters of Board policies in regards to number of National Invitational contests. This tournament will also meet Board procedures in regards to payment of the tournament – 25% of the costs of student travel will be paid by the students.
