Re: Differential/Discretionary Responsibilities

Date: September 9, 2013

Each year, early in the school year, a recommendation for discretionary and differential activities is given to the Board for approval. On August 26, 2013 the Board approved Differential Athletics for the 2013-14 school year. I have received information from each building for Differential and Discretionary Student Activities for the 2013-14 school year.

A summary of costs and a comparison to 2012-13 is supplied for Board review.

Differential Student Activities

2012-13		2013-14	
GBN		GBN	
Activities	\$297,606	Activities	\$299,740
GBS		GBS	
Activities	\$310,057	Activities	\$312,140

Discretionary Student Activities

2012-13		2013-14	
GBN		GBN	
Activities	\$125,081	Activities	\$110,344
GBS		GBS	
Activities	\$136,501	Activities	\$134,169

Summary:

The administration continues to work to control these costs. The challenge is to provide outstanding activities for our students by keeping costs contained and still provide an appropriate stipend to staff for these positions. It should be noted that a number of vacancies remain at GBN for Discretionary Student Activities. This explains the reason for the lower amount of expenditure from 2012-13 to 2013-14 at this time.

I recommend that the Board approve the differential and discretionary responsibility list as presented.
