Re: Differential/Discretionary Responsibilities

Date: September 10, 2012

Each year, early in the school year, a recommendation for discretionary and differential activities is given to the Board for approval. On August 27, 2012 the Board approved Differential Athletics for the 2012-13 school year. I have received information from each building for Differential and Discretionary Student Activities for the 2012-13 school year.

A summary of costs and a comparison to 2011-12 is supplied for Board review.

Differential Student Activities

	2011-12		2012-13
GBN	Activities	\$277,415	GBN
			Activities
			\$297,606
GBS	Activities	\$299,539	GBS
			Activities
			\$302,289

Discretionary Student Activities

	2011-12		2012-13
GBN	Activities	\$121,203	GBN
			Activities
			\$125,505
GBS	Activities	\$136,467	GBS
			Activities
			\$136,501

Summary:

The administration continues to work to control these costs. The challenge is to provide outstanding activities for our students by keeping costs contained and still provide an appropriate stipend to staff for these positions.

I recommend that the Board approve the differential and discretionary responsibility list as presented.
