RE: Differential/Discretionary Responsibilities

Each year near the start of school a recommendation for Differential Responsibilities for Athletics, and both Differential and Discretionary for Activities, is offered to the Board for approval.

Please review the following information related to these responsibilities supplied from each building for the 2015-16 school year. In the accompanying document you will also find the dollar amounts for both schools in these areas for 2014-15 and 2015-16 school years.

There is a slight increase in the costs of these responsibilities from 2014-15 to 2015-16. The administration continues to work with the GEA and the Board to keep differential costs at the average or below our benchmark districts. The difference in cost is a result of the combination of the 1.4% salary schedule increase and many staff members who moved up a step on the schedule as well. It is a challenge is to keep costs contained as well as to provide an appropriate stipend for these extra duty positions.

It should be noted that the remaining vacancies shown in the full document will be filled shortly after the start school.

The contracts for these positions will be distributed by September 15, 2015. The first payment for Fall Athletic Coaches will be September 15, 2015. The first payment for Activity Sponsors will be October 15, 2015.

I recommend that the Board approve the Differential and Discretionary Responsibility list for the 2015-16 school year as presented.
