RE: REVIEW OF THE 2009-2010 SCHOOL YEAR CALENDAR; ESTABLISHMENT OF
THE SCHOOL YEAR CLOSING DATE

DATE: May 5, 2010

Included in our annual school year calendar are ten “emergency days” intended to be used if an emergency, usually weather related, compels us to close both of our schools and extend the school year. Each year the Board of Education is asked to revise the school calendar by deleting the unused emergency days and thereby establishing a new closing date.

The final school calendar is to be submitted to the Regional Office of Education no later than the last day of school.

Attached you will find a copy of our current 2009-2010 school year calendar.

I recommend that the Board of Education approve the deletion of the extra emergency days from the 2009-2010 school year calendar, thus establishing Tuesday, June 8, 2010 as the official last day of school for students and Wednesday, June 9, 2010 as the official last day of school for 10-month certified staff.
