Re: Establishment of Regular Board Meeting Dates & Time

Date: April 27, 2011

I have attached a copy of the proposed school board meetings for FY 2012. These dates approved in preliminary by the Board last year for planning purposes. The administration has reviewed it and feel that the proposed dates still serve the district well for conducting business.

In regards to collective bargaining, I spoke with Skip and he agreed that there was not a need to add regular board meetings for the purposes of collective bargaining. My recommendation is that special meetings of the board be scheduled on an as needed basis dependent upon identified needs as we proceed with the collective bargaining process over the next two years. A more detailed collective bargaining planning calendar will be developed and shared with the board at the May 16 meeting.

In addition, I have attached a proposed board meeting calendar for FY 2013 that is based on board policy and corresponding dates to the FY 2012 calendar. A preliminary calendar is useful as we plan calendars two years in advance.
