RE: FCCLA National Leadership Conference, July 4-9, 2015

Nine Glenbrook North FCCLA student members have qualified and earned the position to represent Illinois at the National FCCLA Leadership Competition in Washington, District of Columbia.

FCCLA (Family, Career, and Community Leaders of America) is an IHSA sponsored national organization for students in Family and Consumer Sciences education in public and private schools through grade 12. It also services their teachers as chapter FCCLA advisors and is recognized as a nonprofit national Career and Technical Student Organization (CTSO), connecting classrooms to careers.

Students compete at the local and state levels in order to qualify for the national competition. FCCLA's STAR (Students Taking Action for Recognition) Events are competitive events in which members are recognized for proficiency and achievement in chapter and individual projects, leadership skills, and career preparation. In these events, students develop specific lifetime skills in character development, creative and critical thinking, interpersonal communication, practical knowledge, leadership, and career preparation. STAR Events promote the FCCLA Mission to focus on the multiple roles of family member, wage earner, and community leader.

This year, the Glenbrook North chapter had 17 students participate at the local (Harper College) competition. Of those 17 students, 12 advanced to compete at the state (Springfield) competition in April. Students advancing to Nationals this July include:

- Applied Culinary Math
- Recycle and Redesign
- Food Innovations (Team)
- Fashion Design
- Environmental Ambassador
- Entrepreneurship

The FCCLA organization requires a 1 to 3 supervision ratio for students. For every three students attending the conference, the chapter is asked to provide an adult to serve as a national events evaluator. As an FCCLA advisor, I will plan to chaperone students along with Kim Petty. I will fulfill the event evaluator assignment while at the National FCCLA Conference.

Attached you will find a spreadsheet that specifies the financial details of the trip. Our lodging is at the Marriott Marquis Hotel located across from the Convention Center where most meetings and competitive events are held, with the exception to selected tours and area attractions. The transportation includes airfare and use of DC's Public transportation. A schedule highlighting the conference itinerary is also provided (for your reference).

BOARD POLICY: STUDENT TRIPS

7230

Page 1 of 3 pages

Section A - Introduction

The Board of Education believes that structured learning should not be limited to the classroom. Valuable experiences for Glenbrook students exist within and outside the boundaries of District #225. The Board also realizes that additional responsibilities arise whenever students are taken from the school premises. Staff, parents, and students should be aware of these responsibilities and the necessity for reasonable administrative procedures. The physical welfare of our students and staff must always be paramount in our considerations. It shall be the policy of this Board of Education to maintain insurance for the liability of the district, its board members, its employees, and authorized volunteers as a result of student injury, property loss and general liability coverage on student trips. It shall also be the Board's policy to encourage the maintenance of adequate personal automobile liability and medical insurance by our staff members.

Section B – Definition of Student Trips

A student trip shall be considered to be a school-sponsored activity away from the school premises usually falling within two major areas.

1. Instructional Field Trips and Extended Classroom:

Instructional field trips provide experiences out of the classroom that are normally carried on during regular class hours and are related to the planned curriculum. In some instances pre- and post-school hours may be utilized.

- a. A field trip implements and/or augments group classroom instruction. Transportation for field trips is restricted by The School Code to Illinois or adjacent states.
- b. An "extended classroom" allows individual students to pursue their studies in various work-related, volunteer, or observation activities outside the classroom.

- a. An activity trip as part of an extracurricular activity
- b. A contest (or practice for a contest) between students representing Glenbrook and another secondary school, or between participants in intramural sports (contestants, cheerleaders, marching band, etc.)
- c. A performance or exhibition displaying special talent by an individual or group of students (e.g., band, chorus, etc.)
- d. A convention or workshop in which an individual or group of students representing Glenbrook participate (e.g., student council convention or workshop)

Section C – General Parameters

1. All student trips must be approved by and will be subject to the procedures set forth by the school principal or the designated representative.
2. Recommendation of the principal and approval of the superintendent shall be required for all overnight student trips. Recommendation of the principal and the superintendent and approval of the Board shall be required for all student trips conducted outside the State of Illinois or adjacent states.
3. Funding for student trips shall be in accordance with the guidelines adopted by the Board.
4. No student shall be penalized for non-participation in a class field trip. No student shall be penalized for participation in a class field trip or student activity trip.
5. Reasonable administrative care should be taken to ensure safety and orderly behavior on all student trips. Staff members shall accompany all field trips except “extended classroom” trips.
6. All Board and school policies, procedures and regulations regarding student conduct apply for students on student trips.

7. Transportation on all student trips should be by district-owned vehicles or by commercial vehicles, whenever practical. Occasionally, because of a limited number of participating students, private transportation is permissible when approved by the principal or the designated representative. In these instances, travel may be by private automobile, if the driver is a Glenbrook staff member, parent, or student.
8. Students participating in student trips must travel to and from the trip's destination in the school-sponsored mode of transportation unless an exception for good cause is made by the trip's sponsor for the student to be transported by the student, his/her parent or guardian.
9. The Parental Permission Slip and Field Trip Request Application, as specified in the procedures to this policy, shall be used in complying with this policy.
