RE: FOIA Requests

FOIA Response:

Please see the attached email response. Responsive documents can be found online at <http://il.glenbrook.schoolboard.net/board>. (Responsive documents will not be attached to the all documents pdf, but can be found under the FOIA agenda item.)

Background:

The Freedom of Information Act (FOIA - 5 ILCS 140/1 et seq.) is a state statute that provides the public the right to access government documents and records. A person can ask a public body for a copy of its records on a specific subject and the public body must provide those records, unless there is an exemption in the statute that protects those records from disclosure (for example: records containing information concerning student records or personal privacy).

A public body must respond to a FOIA request within 5 business days after the public body receives the request or 21 business days if the request is for commercial purpose. That time period may be extended for an additional 5 business days from the date of the original due date if:

- The requested information is stored at a different location;
- The request requires the collection of a substantial number of documents;
- The request requires an extensive search;
- The requested records have not been located and require additional effort to find;
- The requested records need to be reviewed by staff who can determine whether they are exempt from FOIA;
- The requested records cannot be produced without unduly burdening the public body or interfering with its operations; or
- The request requires the public body to consult with another public body who has substantial interest in the subject matter of the request.

If additional time is needed, the public body must notify the requester in writing within 5 business days after the receipt of the request of the statutory reasons for the extension and when the requested information will be produced.

Remember at a minimum you need to have your rosters, all levels, and contact information for each of your coaches on the web.

I would expect this to be completed by the end of the week.

Thanks.

Gentleman,

Attached is the 2017 CSL Boys Soccer Standings updated grid.

Please only send scores to me versus an opponent when an entire round has been completed
ONLY WITHIN THE DIVISION! NO CROSSOVERS!

Email updates will come out every Friday for the next three (3) weeks.

Steve Rockrohr will send out final pairings when completed. Randy Brickman will obviously handle all referee assignments as usual.

Please, please do not have lower-level coaches email personally with individual scores. Make sure to double check the scores and they are correct. Too many scores came back incorrect and I had to check back to make sure they were correct.

Ideally, I want everything streamlined through you only as the head coach.

Wishing you continued success this 2017 fall season! GO CSL!

Subject: 2018 GBS Utley CSL/JV Girls Soccer Invitational - NEW SCHEDULE (Alternate Rain Version)
Date: Friday, May 11, 2018 1:19:08 PM

Hi,

On behalf of Glenbrook South High School and the Girls' Soccer program we appreciate your understanding and patience ahead of time. With the impending Friday rains and possible Saturday thunderstorms to come, we wanted to get a new schedule ahead of time to the teams to rearrange buses and make sure everyone had some time to play on the turf field to provide a safe playing environment for our CSL JV conference tournament and one last game for their respective season.

All games will take place in the GBS Main Stadium (turf field). No games will take place on grass. Games will start every 45 minutes.

Attached is the tournament schedule. The schedule went as follows from the 2018 spring Varsity standings to ensure new teams would be played from Tuesday's crossover.

Every team will play one (1) game.

9:00AM - Niles West Wolves (home) vs. Maine East Demons (away) - 5th CSL South vs. 6th CSL North
9:45AM - Niles North Vikings (home) vs. Maine West Warriors (away) - 6th CSL South vs. 5th CSL North
10:30AM - Maine South Hawks (home) vs. Vernon Hills Cougars (away) - 3rd CSL South vs. 4th CSL North
11:15AM - Evanston Wildkits (home) vs. Highland Park Giants (away) - 4th CSL South vs. 3rd CSL North
12:00PM - New Trier Trevians (home) vs. Deerfield Warriors (away) - 1st CSL South vs. 2nd CSL North
12:45PM - Glenbrook South Titans (home) vs. Glenbrook North Spartans (away) - 2nd CSL South vs. 1st CSL North

RULES:

- * All games will play 2x20 minute halves, NO HALFTIME, referees/teams are to immediately switch sides at end of first half. Substitutions will be allowed during the switch-over.
- * If game is tied at the end of regulation, it is a tie.
- * NO WARMUPS ON TURF FIELD AFTER GAMES! WE WOULD LIKE TO START GAMES IMMEDIATELY WHEN THE PREVIOUS GAME IS OVER. PLEASE NO WARMUPS! Teams may warm-up in the area behind goals.

Jersey Colors:

- * Home teams in white, away teams in dark colored jerseys. Color conflict - home team must change.

I hope the schedule works for you. Make sure your teams arrive on time!

If you have any questions, please text me (preferred) at (847) 312-6529.

Sincerely,
Seong

Subject: CSL Boys Soccer Crossovers
Date: Wednesday, October 4, 2017 9:30:33 AM

Ladies & Gentlemen,

The regular season has ended, Congratulations to New Trier and GBN for winning their respective divisions.

The crossovers are as follows:

GBN at NT
MW at EV
DF at GBS
HP at MS
VH at NW
ME at NN

Please note the schedule (location specifically) above is for the varsity and prelim game to the varsity contest. Work with your opposing school to decide what other levels and location of lower level games that you want to play. I know that Vernon Hills and Niles West just played last night and have decided not to play the crossover. That's fine with me as well as the results of these games do not have any bearing on the conference standings.

Please also note that any varsity game that end in a tie proceed to two, non sudden death, 10 minute overtime periods followed by a shootout. This was put into our guidelines to simulate the IHSA tournament format.

Thanks for a great season and good luck in the state tournament.

Greetings All,

Attached is last year's catalog description of the summer camps. Please review it and make any changes (dates, times, etc...) for this coming summer if you are able at this time. Don't touch the cost, that's up to me and district to set. But, if you shorten your camp from say 3, to 2 weeks please point that out to me so I can adjust cost accordingly. I know some of you are impacted by the closing of certain facilities at the school. However, if your camp won't be affected in any manner or if you have already solved the issue, please make the necessary changes and return the description to me. You do not have rights to edit this document, so cut and paste from your sport and send it back to me with the changes.

Thanks for your help and please return this to me by Wednesday of next week. I know you don't all have camp and I know that some of you are still working on solutions to the facilities issues. In most cases I'm working with you. If there is crossover in your desired dates and times for the different facilities (turf, perhaps the gyms) I will work separately with each of you come to a resolution.

-Steve

Gentleman,

Maple school (next to GBN) is hosting its annual Lew Blond Run tomorrow morning. Sherman Drive on the sound side of GBN will be closed. Buses should drop off on the north side by the stadium and park in the northeast lot. The race should finish at about 9:45 AM and the road will be open.

Please pass along to your coaches.

Coaches,

Not sure if you've seen this, but if you're like me, you have a closet full of shirts/sweatshirts that you can send. This is a small way that we can help out from a distance.

Our head men's basketball coach here at the University of Houston and my good friend has started a wonderful initiative in regards to helping those in desperate need as a result of the flooding in Houston.

I would like to join in and ask all of our friends in baseball - across the nation and at all levels - to help. If possible, please send 20 of your program's shirts and 10 pairs of shoes to:

Todd Whitting
UH Baseball Office
3204 Cullen Blvd
Houston, TX 77204

Please send what you can. Our team will make sure these items are delivered to those in need.

Thanks to all of the coaches around the nation who have touched base with me to check on our families and our great city of Houston.

To: rmcdonald@ihsa.org

Dear Athletic Director or Coach,

Our office wanted to take this opportunity to remind schools entered in the 2017-18 IHSA Boys' Lacrosse State Series that the deadlines for completing the Season Summary Form and Seeding is rapidly approaching. The deadlines are final and cannot be adjusted.

Boys Lacrosse deadlines:

SEASON SUMMARY (MaxPreps) - TOMORROW, Wednesday, May 2nd at 10:00 a.m.
SEEDING -Thursday, May 3rd at noon

This year as a part of the IHSA's partnership with MaxPreps, all schools must use MaxPreps to report their scores. The games and scores will be pulled into the IHSA Schools Center for seeding at 10:00 a.m. on May 2nd. Coaches will need to check MaxPreps prior to this date to add any games that do not appear.

All coaches will want to sign into the Schools Center and go to the Season Summary in the Sport & Activity Tracker to enter Coaches and to the Coaches Comments page to enter their season's win/loss record and any comments that they would like the other schools in their sub-sectional/sectional complex to see.

Coaches will want to return to the Sport & Activity Tracker between 11:00 a.m. Wednesday, May 2nd and noon on Thursday, May 3rd to seed the other schools in their sub-sectional or sectional complex.

If you are entered in the IHSA Boys Lacrosse State Series in error, your school should withdraw from the Boys Lacrosse tournament. Your IHSA official representative should notify the IHSA Office in writing prior to the online seeding deadline. Please email to Tammy Craig (tcraig@ihsa.org).

Thank you in advance for your prompt attention to this matter.

Subject: IHSA Boys Lacrosse Sectional Seeding

IHSA Boys Lacrosse Coaches,

As we prepare to enter the Sectional Seeding process for the first time next week, my plan had been to send out a detailed tutorial earlier this week to help in your preparation. Unfortunately, I have had a family emergency that has kept me out of the office all week. Thus, I am instead providing a Cliffs Notes version...

1. Your teams schedule and record will be pulled from your MaxPreps team page into the IHSA Schools Center where you will seed.
2. If you haven't been inputting results into MaxPreps, I would recommend you familiarize with the process or designate an assistant, parent, player, etc. to update your schedule/results if you prefer not to handle yourself. Any issues/questions about MaxPreps can be directed to Eric Frantz at eric.frantz@cbsinteractive.com. Eric and his team are very responsive and will walk you through any issues you may be having.
3. Your schedule info and comments need to be submitted in IHSA Schools Center by 10:00 AM on Wednesday, May 2.
4. We take an hour to process in our database, and then you can log back in to actually seed at 11:00 AM Wednesday, and must be completed by Noon on Thursday.
5. You will only seed the 8-10 teams in your Sectional. Results will be posted here: <https://www.ihsa.org/SportsActivities/BoysLacrosse/StateSeriesInformationResults.aspx>
6. The full postseason schedule will populate via the link above in #5 on Friday afternoon.
7. To better familiarize yourself with what you will see next week on IHSA Schools Center when you seed, take a look at this IHSA Chess Manual, specifically pages 7-9: <http://www.ihsa.org/documents/ct/2017-18/school-manual.pdf>. My apologies again, I had hoped to create a lacrosse specific example with graphics.

8. Here is a quick step-by-step minus the visuals.
 - a. Go to IHSA.org. Click "Schools & Officials Center Log-In" in upper righthand corner
 - b. Click Sport & Activity Tracker and find lacrosse.
 - c. Click Season Summary Form link.
 - d. You will be provided a 5-step process (Instructions, Coaches, Contests, Coach's Comments).
 - e. "Contests" will simply reiterate that results will come from MaxPreps, but you can work on other portions any time.
9. Our program will automatically flag any outlier votes in the seeding process which are all reviewed and may be thrown out.
10. My family situation will keep me away from a computer most of the day tomorrow, but I will answer any reply questions I receive from this email tomorrow evening.

Thanks and let me know what questions you have,

-Matt

Hey Steve,

I am hosting a social media training from 3:30-4:15 p.m. Tuesday, Oct. 3 in the SAC.

Coaches are welcome to join and bring any questions they might have!

I plan to cover the following topics:

- Latest trends in Facebook, Instagram and Twitter
- Tactics for effective social media presence
- Examples of what has performed well on our school accounts
- Do's and Don'ts for engaging in conversations with students
- Graphic design resources

I have sent this memo out to the handful of coaches who filled out our social media form at the beginning of the school year, but thought I would pass it along to you in case you ever send out these sorts of notices to coaches.

Thanks!

Steve,

This is a really good piece from the Trib on hazing. I sent it to the football staff, but it might be good for all coaches to read it.

As of today at 1:00 I am told the grass fields are still to soggy to be on. I would guess that will continue through at least Thursday of this week. Thursday the weather was supposed to break, but I just looked at it and it appears the warm temps they were predicting last week are no longer so warm. If you have games scheduled on any field but the turf field prior to Friday, they will be cancelled.

Thank you for your patience and help at this point in the season.

THIS AGREEMENT, made and entered into by and between the Board of Education of the Glenbrook High Schools, District #225, 1835 Landwehr Road, Glenview, Illinois, hereinafter called the "Board" and Seong Bong Ha a legally qualified teacher hereinafter called the "Teacher." The definition of a legally qualified teacher includes but is not limited to the Teacher's eligibility for a standard Type 09 Illinois Teaching Certificate. Failure of the Teacher, at the time of employment, to obtain said certificate will render this contract Null and Void.

1. The Teacher is employed and hereby agrees to teach (hereinafter called "teach") school in said School District in such grade, course, department or building as the Board, through its Superintendent, may from time to time direct; to keep such registers and other records and to make such reports as are now or hereafter required by law and by the Board for a term during each school year this contract remains in force, of not less than the minimum number of months required by law nor more than ten months beginning and ending on such dates as the Board may hereafter, from year to year and from time to time, to fix and determine, for the sum of

Fifty-five thousand six hundred twenty-two and 00/100 Dollars,
payable Four thousand six hundred thirty-five 17/100 Dollars per
month for 12 months, less such deductions as may be required by law.
The Board hereby agrees to issue an order in payment of said salary on or about the 15th day of each month during the said school term, or at the end of such other periods of time as may be mutually agreeable, provided, however, that the Teacher shall not be entitled to any compensation for any period of time during which the Teacher is absent from duty while school is in session, unless otherwise provided by law or by the lawful rules, regulations or orders heretofore or hereafter adopted or amended by the Board.

2. The Board shall notify the Teacher of the opening date of the school term a reasonable time prior to such date, but the Board shall have the right, in its sole discretion, from year to year and from time to time during any year, to fix, increase, or decrease the requisite length of the school term between said minimum and maximum number of months, and the Teacher shall only be entitled to said monthly salary for the number of months, or parts thereof on a pro rata basis, which the Teacher actually teaches.

3. The Teacher shall conform to and comply with all lawful rules, regulations and orders heretofore or hereafter adopted or amended by the Board relating to professional growth, physical fitness, temporary illness and temporary incapacity, and to all other lawful rules, regulations or orders heretofore or hereafter adopted or amended by the Board. The Board agrees to furnish the Teacher copies of all rules, regulations and orders, and amendments thereto, relating to Teachers, hereafter adopted by the Board promptly upon the adoption thereof.

Total 183 day Salary	\$56,549.00

4. The Teacher and the Board recognize the critical importance of extra-curricular activities (differential responsibilities) to the proper development of the students attending schools in the District and agree that both the Teacher and the Board must cooperate in providing opportunities for and supervision of extracurricular activities for the students. The Teacher recognizes that a material inducement in the Board's agreeing to employ the Teacher is the Teacher's representation that the Teacher will accept the appointment to extracurricular activities by the Board so long as the Teacher is employed by the Board. The parties further recognize that when these provisions are contained in a contract where the Teacher is in the second probationary year, such provisions will automatically carry forward to each subsequent employment year in accordance with the provisions of Section 24-11 of The School Code which provides:

"Contractual continued service shall continue in effect the terms and provisions of the contract with the Teacher during the last school term of the probationary period, subject to this Act and the lawful regulations of the employing Board."

The Teacher acknowledges the authority of the Board to terminate the further assignment of the Teacher to the extracurricular activity (differential responsibility) for any future school year. On the other hand, the Board agrees to honor the request of the Teacher to be relieved from the extracurricular assignment in the following school year where another Teacher deemed acceptable to the school officials is willing to accept the assignment held by the Teacher to this contract. In the event the Teacher discontinues the extracurricular activity under either of the of the foregoing two circumstances, the added salary attributable thereto shall be discontinued. Should the Teacher at some time in the future refuse to carry out the extracurricular assignment made by the Board in accordance with the provisions contained in this agreement, such refusal shall be a breach of the employment conditions between the Teacher and the Board and shall be adequate and complete grounds for termination of the further employment of the Teacher by the Board whether the Teacher is on probationary status or on continued contractual service status.

5. In the event the Teacher hereby employed is employed to take the place of a teacher entering into the Military Service of the United States, the Teacher hereby employed shall not acquire contractual continued service under the laws of the State of Illinois. The Teacher hereby employed is not employed to take the place of a teacher entering into the Military Service of the United States.

6. In the event the Teacher is employed as a part-time Teacher and not as a full-time Teacher, such part-time teaching shall not qualify or entitle the Teacher to enter upon contractual continued service, as provided by the laws of the State of Illinois. The contract of any part-time teacher may be terminated by the Board at any time for any reason by written notice to the Teacher and thereafter the Teacher shall not be entitled to any compensation hereunder. The Teacher hereby employed as a full-time Teacher, and, shall be required to teach only on such days and during such hours as the Board, or its superintendent, may hereafter from time to time direct.

7. During the probationary period of a full-time teacher, including any lawful extension thereof, this contract may be terminated by either party at the time and in the manner provided by law, for any reason. During this contractual continued service of the Teacher, this contract may be terminated by either party at the time and in the manner provided by law, for any lawful reason or cause, the Board

also reserves the right to make all lawful salary adjustments. In exercising its rights under this contract, the Board may base its action upon, but is not restricted to, the failure of the teacher to comply with any lawful requirement of this contract, including failure to comply or conform to any lawful rules, regulations or orders of the Board in effect at the time, the failure of the Teacher to hold a regular certificate of qualification to perform the services designated in Paragraph 1 of this contract, in the public schools of the State of Illinois, or in the opinion of the Board either that the Teacher is not qualified to teach or that the interests of the school require such action. In the absence of controlling provisions of Illinois law, termination may be affected at any time by written notice to the other party. During lawful suspension of the Teacher and after lawful termination of this contract, the Teacher shall not be entitled to any compensation hereunder.

8. This contract is subject to and governed by all applicable laws of the State of Illinois now or hereafter in force.

IN WITNESS WHEREOF, the Board has caused this contract to be executed in its behalf by its duly authorized Director of Personnel, and the Teacher has executed this contract, all as of this 1st day of May, 2006.

While I am not the biggest fan of these dinners, you may again host them at the school. Last year it was determined that only varsity teams could host team dinners at school. This year that rule has been reversed so all levels may now host them at GBS.

Steve/Tom,

Temperatures don't look warm enough to melt the snow is my guess...

If we can cancel, I see tomorrow's stadium turf schedule as follows:

* 5:00PM - GLAX vs. Lake Forest (JV)

* 6:15PM - GLAX vs. Lake Forest (Varsity)

Would a soccer match after the varsity GLAX be out of the question? Or lose our home game to Loyola and have them host the 2nd round tournament match. Just wanted your thoughts.

Thanks.

Steve,

We are hosting the IHSSCA State Coaches Clinic on Saturday, February 3, 2018 from 7:00AM-4:00PM in the Lyceum and Fieldhouse (already approved by Student Activities).

Michael Wiggins (head boys soccer coach at Hinsdale Central0, our clinic director, was wondering if there would be any problem with a company called Chicago Pizza Boss driving a mobile pizza truck that would be outside of the fieldhouse selling personal-sized pizzas for coaches attending the clinic during lunch.

He wanted to make sure that there was no problem of having a pizza truck on the property. Thoughts?

Thanks!

Hi,

On behalf of Glenbrook South High School and the Girls' Soccer program we appreciate your understanding and patience ahead of time. With the impending Friday rains and possible Saturday thunderstorms to come, we wanted to get a new schedule ahead of time to the teams to rearrange buses and make sure everyone had some time to play on the turf field to provide a safe playing environment for our CSL JV conference tournament and one last game for their respective season.

All games will take place in the GBS Main Stadium (turf field). No games will take place on grass. Games will start every 45 minutes.

Attached is the tournament schedule. The schedule went as follows from the 2018 spring Varsity standings to ensure new teams would be played from Tuesday's crossover.

Every team will play one (1) game.

9:00AM - Niles West Wolves (home) vs. Maine East Demons (away) - 5th CSL South vs. 6th CSL North
9:45AM - Niles North Vikings (home) vs. Maine West Warriors (away) - 6th CSL South vs. 5th CSL North
10:30AM - Maine South Hawks (home) vs. Vernon Hills Cougars (away) - 3rd CSL South vs. 4th CSL North
11:15AM - Evanston Wildkits (home) vs. Highland Park Giants (away) - 4th CSL South vs. 3rd CSL North
12:00PM - New Trier Trevians (home) vs. Deerfield Warriors (away) - 1st CSL South vs. 2nd CSL North
12:45PM - Glenbrook South Titans (home) vs. Glenbrook North Spartans (away) - 2nd CSL South vs. 1st CSL North

RULES:

* All games will play 2x20 minute halves, NO HALFTIME, referees/teams are to immediately switch sides at end of first half. Substitutions will be allowed during the switch-over.

* If game is tied at the end of regulation, it is a tie.

* NO WARMUPS ON TURF FIELD AFTER GAMES! WE WOULD LIKE TO START GAMES IMMEDIATELY WHEN THE PREVIOUS GAME IS OVER. PLEASE NO WARMUPS! Teams may warm-up in the area behind goals.

Jersey Colors:

* Home teams in white, away teams in dark colored jerseys. Color conflict - home team must change.

I hope the schedule works for you. Make sure your teams arrive on time!

If you have any questions, please text me (preferred) at (847) 312-6529.

Does a goalkeeping coach at the highschool level truly sound realistic to you?

Hi Steve,

Although I think both the boys and girls soccer programs are lucky to have our current situation where there is at least 1 coach at each level, I think it would be worth asking for the possibility of a goalkeeper coach stipend that could be evenly split between the boys and girls programs (similar to the pole-vaulting situation for track). With 1 coach at each lower level, it's difficult for our goalkeepers to get any development throughout the season unless their level coach is an experienced goalkeeper. If we each had a .5 stipend position to dedicate to goalkeepers, we could have them attend half of the days throughout the week and really help our goalkeepers get the training experience they need.

In the end, I understand this might be a lofty goal but I figured it would be worth trying.

Thanks for your time,

Reggie

Hey Seong,

I have talked with DJ a bit recently about the possibility of assistant coaching for him this spring with the girls' team, but I wanted to ask you first if that was alright and if it were if I needed to do anything. Thanks!

Dear Steve,

I am applying for the position of Assistant Girls' Soccer Coach.

As some background information about myself, I am a soccer coach with six years of experience, earned my USSF C license and my NSCAA National license. Also of note, I taught high school English for twelve years.

To date, I've been the head coach for: junior high boys and girls, sophomore boys and girls, and varsity boys high school. I also coached for the Glen Ellyn Lakers for two seasons. I've attached my resume, in order for you to see my complete professional experience.

I really have a passion for coaching and teaching soccer. I enjoy not only teaching skills and tactics, but also helping players grow as individuals and gain confidence.

Also, I am a life-long learner. I read as many books as possible that have relevance for coaching and try to improve on my craft as much as possible by attending seminars, conventions, and enrolling in advanced soccer courses. I also believe my twelve years' experience teaching at the high school level has relevant experience that directly transfers to coaching.

It would be great to talk in the near future about how I can be a benefit to your program. Please feel free to email or call me at your convenience.

Thank you for your time.

Regards,

Dan Riskind

Linda's document is read-only so I cannot change it. Here is what needs to be changed:

- 1. Remove summer camp.**
- 2. Changes to summer league (below), might need to change code since there is only one girls soccer event this summer:**

Soccer – Girls’ Summer Soccer League

This fee covers participation with the 2018 New Trier Girls North Shore Summer Soccer League. There will be a Varsity (varsity returnees, juniors) and Junior Varsity (sophomore, incoming freshman) teams. Dates played are during mid-June to mid-July and the schedule is made by New Trier High School. Game times are usually either 6:00pm (if one game) or 6:00pm/6:40pm/7:20pm (if two games, two of those three game times). Each participant will receive a t-shirt also.

Coach Seong Ha at sha@glenbrook225.org.

CODE	GRADES	TIME	DATES	FEES
SGSO2	9-12	6:00, 6:40, 7:20	6/13, 6/20, 6/27 and 7/19, 7/11	\$90

(dates are subject to change)

All,

If you know of any of your athletes who are signing to play at the next level (any level) the local press is interested in obtaining their names. So you can send them to Ryan and Dion at the email addresses above.

GBS will again hold a signing day on February 1 of next year for all athletes.

Thanks.

Subject: Coverage of signing day

Hello athletic directors,

It's hard to believe that the fall signing period is almost here. Pioneer Press is planning to publish a list of all local signees to run in print and online.

I would like your help with this task. Please send us a list of anyone who will be participating in a signing day ceremony this Wednesday. It would be best if I can have this list by the end of the school day tomorrow for planning purposes.

Please feel free to include all athletes, not just those who will be on scholarship. However, it would be helpful if you can note which athletes are walking on or are playing Division III sports.

Also, if you take any photos of your signing day ceremony I encourage you to email them to ppnpreps@pioneerlocal.com.

Thank you for your help. Please contact me with any questions.

We could possibly host a game at 5:00 PM and then you guys can move your game up. I should hear back from Libertyville by tomorrow morning if they want to play us. Then we can make a decision about times and locations.

You must be supervising that night. Lol!

I just tried to call you but your assistant said you were only reachable by email. It doesn't make any sense to play at 7:00 in the mid 30's when we can move it to a 5:00 start. Not a ton warmer, but at least some warmer. So we are going to move the varsity game to a 5:00 start as well. Please let us know that you received this email for confirmation.

I can't give Matt Barera statistician pay simply because he's volunteering and you want to pay him something anymore. I give statisticians to those sports who I think truly need them and don't have an assistant at the varsity level.

Call with any questions.

What is your opinion about me not having a girls soccer camp?

Rationale:

1. Girls coming off our spring season, worried about burnout,,just playing New Trier summer league and going to Iowa for Adidas tournament suffices.
2. Prevents less conflicts for girls to attend other GBS summer camps and Maine West girls basketball summer league.

Thoughts?

Don't put any lower level soccer games in the stadium unless we have three games scheduled at the same time. I don't care if it's open or not. I set the turf schedule and give preference to varsity practices over lower level games when I can, but ran into a problem yesterday because Mike scheduled a freshmen soccer game in the stadium when I put FH practice in there. I never thought to look at 8 to 18 to see where he had them playing because they always play on a back field. Lower levels will play on grass fields unless we have three scheduled at the same time.

If you are running a summer cam please forward me the anticipated hours for you and your coaches. I will review them against your enrollment, supply orders, entry fees, etc...to verify that you are running a break even at worst camp. Remember there is a administrative fee and the cost of the trainers that also comes out of your camp costs. So, please figure in \$20 or so per participant less than the registration fee when figuring out your coaches hours.

Thanks and call me with any questions. Julie will also be sending out an invitation to all the coaches for lunch in the main gym on Wednesday. Just giving you a heads up on that.

Have a great summer everyone and thanks for your work with our students this year.

Hi,

Hope you are having a wonderful end to your school year as the weather is getting better for the summer months to come.

I wanted to let you know that I have resigned today as the Head Varsity Girls' Soccer Coach at Glenbrook South High School.

The friendships built in the last twelve (12) years as head coach and since 2002 at GBS have been uniquely special. Right now, my focus will be on refereeing, coaching elsewhere perhaps, and spending more time with parents along with my crazy travel schedule you all know about.

You will probably be hearing a lot of things and all people need to know is that I wanted to pursue other opportunities that are more important than soccer.

Thanks again for everything. The Central Suburban League (CSL) is a superior soccer conference filled with wonderful players, many I have coached personally, in making the collegiality with you so special filled with many memories.

I will miss you all and so blessed to have shared the soccer pitch sideline with you.

Have a wonderful summer. See you soon, my friends.

Sincerely,
Seong

Subject: Today's JV Game vs. Niles North
Date: Thursday, March 15, 2018 10:53:51 PM

Hector,

I would highly suggest sending an email to Niles North High School, particularly their Junior Varsity and Varsity girls' soccer coaching staff for today's game. We can not win games with a score 10-0 against a Central Suburban League opponent, let alone a CSL South Division team. It is in our preseason coaching procedures and expectations .pdf document.

Following the game, I apologized to co-head coaches Sarah Paulis and Filip Cejovic for the result. They were appreciative but an olive branch of sportsmanship needs to be sent here.

We have to do a better job in finding other ways to improve on aspects of our game. It's the first game of the season and I'm sure we can do things better. We all know that you are a good person and this is an isolated situation. They also know we traditionally do not run up scores. It's just the right thing to do here.

A few years ago, an incident occurred between two schools at our post-season CSL meeting after a 10-0 result and it was a learning experience for all head coaches in that room. I know this will go a long way in just making sure that GBS will no longer have this happen again.

I know you will do the right thing because you are that type of person. Filip knows you are a good guy too and appreciate your consideration. If you have any questions, just ask me anytime. Thank you.

Please be aware that on lacrosse or soccer game days, the track teams use the track for practice. As a result, soccer and lacrosse teams who have games scheduled on the turf, can take the field 30 minutes prior to the start of their games. None before. Also, in those 30 minutes prior to the start of those games, there should not be any track athletes on the track at all. Track teams can continue to work in the areas to the north of the track, but not be on it for any reason.

Please call me with any questions.
