Re: Library Per Capita Grant – required review of application summary

Date: September 30, 2015

Our annual application for the Library Per Capita Grant requires that we share with the Board of Education our district's compliance with the Illinois School Library Standards. These standards were adopted by the Illinois School Library Media Association in 2005 and are found in a publication entitled: *Linking for Learning: The Illinois School Library Media Program Guidelines, 3<sup>rd</sup> edition, 2010.*

This grant provides the district with 75 cents per student or a total of approximately \$3688.50 - monies which collectively will be used in the libraries to purchase some additional electronic resources/digital materials to enhance the resources accessible over the internet to students even when the library is closed.

Attached is a document that affirms the district's compliance in meeting the standards of the Illinois School Library Media Association [(75 ILCS 10/8.4(5))], identifies how FY2016 grant funds will be used and attests that the district followed required fiscal reporting and accountability relative to FY2014 grant funds (Because these grant funds have lagged in coming to districts from the State, the FY2014 grant award expenditures report will be a component of the FY2016 grant application).

The Board simply needs to review this document which should be included on the consent agenda for the regular board meeting on October 13, 2015. This represents the Board's approval of our grant application and acknowledgement of our compliance with the requirements of this grant.
