**RE:** NCLB School Improvement Plan (District and GBS)

**Critical question:** Why must we complete the No Child Left Behind (NCLB) School Improvement Plan?

The submission of a NCLB School Improvement Plan is required by Federal and State regulations for districts that do not make adequate yearly progress as measured by student performance on the Prairie State Achievement Exam (PSAE). The district is in Federal Improvement Status of Corrective Action Year 4. State Improvement Status is designated as Academic Watch Status Year 4.

Because the district accepts Title I funds, Federal Improvement sanctions apply. The district is required to participate in an improvement planning process called *Rising Star*. This fulfills both Federal and State requirements. The *Comprehensive Plan Report*, which must be approved by the Board before being submitted to the State can be found at: <http://il.glenbrook.schoolboard.net/sites/il.glenbrook.schoolboard.net/files/NCLBSchoolImprovementPlan.pdf>.
