Re: **Rehire of Educational Support Staff**

Please see the attached spreadsheet to review the recommended Educational Support Staff members to rehire for the 2015-16 school year. This information has been confirmed by each building principal.

As you know, these Educational Support Staff members were previously released due to uncertainties related to the staffing process. At this time, staffing decisions have been made to secure the stated FTE for these Educational Support Staff members for the 2015-16 school year.

I recommend the Board approve the Educational Support Staff members to be rehired as stated on the attached spreadsheet for the 2015-16 school year.
