Re: Certificated & Non-Certificated Retirements
Date: June 14, 2010

The purpose of this memo is to list the declared staff retirements for both certified and non certified staff members. Given guidelines by the Teacher Retirement System of Illinois and the collective bargaining agreement with the Glenbrook Education Association, certified staff members may declare their intent to retire up to four years in advance of the retirement date. In exchange for this notice staff members who declare themselves in the retirement “pipeline” will receive 6% raises each year until retirement.

Below is a list of declared certified and noncertified retirees, the year they have announced their retirement, their building, department, and position.
