Re: Students and Staff Who Excel

Date: October 2, 2014

At the Board meeting on Monday, October 27, we will recognize the Glenbrook North High School Senior Class Board for their 2014 community service project.

More than 60 members of the Senior Class Board came together in September to make 100 blankets for pediatric cancer patients receiving treatment at Glenbrook Hospital. Not only did the student make each blanket by hand, but they also utilized 300 yards of donated fabrics and raised and additional \$2,000 which they used to purchase stuffed animals and coloring books for these children as well.

Glenbrook Hospital President Sean O'Grady will attend this recognition and would also like to formally present appreciation on behalf of the hospital. A representative group of students from the Senior Class Board will attend this special recognition.
