Re: Students and Staff Who Excel

Date: December 19, 2014

At the Board meeting on January 12, we will recognize recently retired Glenbrook South music teacher and variety show director Stevi Marks for being named one of 25 national semi-finalists for the Grammy Foundation's Music Educator Award.

Ms. Marks was nominated by GBS student Sophia Andricopulos and was selected as a semi-finalist from more than 7,000 candidates nationwide. As part of the application process, Marks had to submit video testimonials, education vision, and summary submissions.

Ms. Marks and Ms. Andricopulos have been invited to the recognition.
