Re: Students and Staff Who Excel

Date: January 27, 2014

The 39th Annual Illinois High School Theatre Festival was held in early January at Illinois State University, and is the largest high school festival in the United States.

At the meeting on February 10, we will recognize students from both GBN and GBS who earned a performance at the state festival.

GBN student Ellie Schnittman played Ruthie Joad in the All-State production of “Grapes of Wrath,” and GBS student Chuck Quinn was named to the All-State Improvisation Team.

The students and their sponsors have been invited for recognition.
