Re: Students and Staff Who Excel

Date: August 20, 2010

At the meeting on August 30, 2010, the District 225 Business Office will be recognized during our Students and Staff Who Excel segment.

The Government Finance Officers Association has awarded Glenbrook High School District 225 a Certificate of Financial Reporting Achievement for their comprehensive annual financial report for the fiscal year ending June 30, 2009. The certificate is the highest form of recognition in governmental accounting and financial reporting and its attainment represents a significant accomplishment by the Business Office and District 225. Awards such as this help contribute to strong bond ratings that assist District 225 in securing favorable interest rates.

District 225 was also awarded a Certificate of Excellence in Financial Reporting for the fiscal year ending June 30, 2009 from the Association of School Business Officials. This award reflects the District's commitment to the highest standards of school system financial reporting. This is the second consecutive year that the District has been recognized for this effort.

Assistant Superintendent for Business Affairs Hillarie Siena, Director of Business Affairs Julie Bezanis, and Director of Operations and Purchasing Kim Ptak will be accepting the award on behalf of the Business Office and District 225.
