RE: Summer Textbook Proposal for the 2010-2011 School Year

DATE: July 7, 2010

Occasionally, as a result of ongoing spring and summer curriculum development, the need arises to bring forward additional recommendations for textbook changes.

Attached you will find a recommendation for additional textbooks for next year. The requests have been reviewed by the teachers involved, the instructional supervisors and the associate principal-curriculum. The attached requests are recommended for approval. A copy of the proposed textbooks will be available for review at the July 12, 2010 Board meeting.

I recommend that the attached textbook recommendations be presented to the Board of Education for the Board's preliminary review and possible action at its meeting of July 12, 2010.
