RE: DISCUSSION/ACTION: TRUCK BID

RECOMMENDATION

It is recommended that the Board of Education approve a contract with Bredemann Ford, for the purchase of a Ford, heavy duty, pick-up truck for Glenbrook North High School in the amount of \$21,741. In addition, a snow plow will be purchased from Adams Enterprises in the amount of \$4,500. The total amount of purchase will be \$26,241. The estimate was \$35,000.

It is recommended that the Board of Education reject the bids received for the Glenbrook South High School Ford pick-up truck due to modifications GBS needs to make to the bid specs. This truck will be rebid and brought to the May 16, 2011 board meeting.
