RE: Resolution Amendment for 3801 W. Lake Avenue

It is recommended that the Board of Education

Approve the Resolution of Township High School District Number 225, Cook County, Illinois, amending a resolution of the District authorizing and providing for a lease agreement and the issuance of General Obligation Limited Tax Lease Certificates, Series 2009, by and for the District.

Background

On March 9, 2009, the Board adopted a resolution amending the original resolution of February 9, 2009, providing for the lease by the District of property located at 3801 W. Lake Avenue, Glenview, Illinois. Subsequent to the adoption of this amended resolution, the District entered into a lease agreement with The Chicago Trust Company (formerly The Wayne Hummer Trust Company), and issued General Obligation Limited Tax Lease Certificates, Series 2009, in the amount of \$2,950,000.

Since entering into the lease agreement, the Board of Education approved the renovation of 1835 W. Landwehr Road, Glenview, Illinois, for the instructional purpose originally intended for the 3801 W. Lake Avenue building. The Board approved relocating the District's administrative offices to 3801 W. Lake Avenue, and relocating the Off Campus and Evening High School programs to 1835 Landwehr Road. Therefore, the lease premises located at 3801 W. Lake Avenue are not being used for and will not be used for school classroom or instructional purposes.

Under the current lease agreement, the 3801 W. Lake Avenue building is 100% fully taxable. The 2009 total real estate tax bill amounts to \$87,623.87, with \$23,592.99 allocated back to District 225. The net expense to the District is \$64,030.88. If the District were to purchase the 3801 W. Lake Avenue building and terminate the lease agreement, the District would then apply for a partial real estate tax exemption, based on the percentage of governmental occupancy, including Northfield Township, which is currently 72% (based on square footage). The total real estate tax bill would reduce to approximately \$24,534.68, with \$6,607.19 allocated back to District 225. The net expense to the District would be \$17,927.49. As current tenant leases expire, the building will eventually be 100% tax free.

Purchase options are to either pay off the balance of the existing lease certificates in a lump-sum payment, or convert the existing debt from lease certificates to debt certificates. In analyzing these two options, it is determined to be in the best interests of the District to convert existing lease certificates to debt certificates. This option incurs no additional debt, but maintains the existing debt schedule. This schedule is already included in the District's long-range financial projections. It is therefore, recommended that the Board approve the attached resolution amendment.

RESOLUTION of Township High School District Number 225, Cook County, Illinois, amending a resolution of the District authorizing and providing for a lease agreement and the issuance of General Obligation Limited Tax Lease Certificates, Series 2009, by and for the District.
